Would you like to visit the Sammlung Goetz with your class and experience our current exhibition program? We would be happy to arrange tours tailored to your wishes and the grades of your students.

In an effort to help pupils actively and creatively navigate in our museum, we seek to provide direct access to contemporary art by conducting dialogical discussions while viewing the [current exhibition](#). The direct involvement of pupils is important to us.

Saturdays: 11 am - 4 pm

Duration: 1 hour

Language: German, English

Participation: free, limited to 20 participants

In our creative workshops, we also offer school groups the opportunity to become more familiar with the work of the exhibited artists. Information about our workshops for school classes can be found [here](#).
